In the matter of Coin Collecting, there is no outlay of funds that brings equal satisfaction, to that expended for priced catalogues of current sales.

Coins and Medals are sold at so much per piece. Kindly make your bids accordingly. Do not bid by the lot. If a lot contains 10 pieces and you desire to offer $2.00 for it, make your bid 20c.

My terms for buying are 5 per cent.

Auction Sales are strictly for cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids, otherwise they will not be accepted.

Collectors with experience have found that all catalogues are not alike.

My attributions will be found accurate, descriptions ample for recognition and the grading of condition, fair and just, with an absence of lottery throughout the catalogue. Special care and attention to these important matters, featured my first coin sale catalogue and it has been uniformly maintained in all of my one hundred and ninety public sales.

The Confederate Half Dollar.

673 1861 A restrike of the rare and much desired historic coin. The die was purchased in 1879 by Mr. J. W. Scott, the veteran numismatist and dealer, when he accumulated a limited number of the 1861 Half Dollar, bearing the letter "O" the mint mark of New Orleans. The eagle side was ground off and in its place the Confederate die was impressed. A die was designed and engraved for one side only. Its publication at $2.00 followed shortly; late records of sale, show multiplications of this modest figure. Very fine, as all of them are.
